Annex A – January Monthly Report

The Managers of SAS GUC Entity (the “**Company**”) present the unaudited financial report for the period 1 January 2026 to 31 March 2026.

Context

SAS GUC Entity (the “**Company**”) is a commercial company incorporated in Luxembourg on 3 May 2024 and organised under the legal form of a private limited liability company (“société à responsabilité limitée”). The registered office of the Company is established in Luxembourg on 17, boulevard F.W. Raiffeisen, L-2411 Luxembourg and the Company is registered with the Register of Commerce of Luxembourg under the section B number 286140 and governed by the Luxembourg Company law.

On 7 February 2024, SAS AB and its subsidiary debtors filed the Second Amended Joint Chapter 11 Plan of Reorganization of SAS AB and Its Subsidiary Debtors [Docket No. 1936] (as amended, modified, supplemented from time to time, the “**Plan**”). The Plan contemplated that the general unsecured creditors (the “**GUCs**”) would receive new shares in SAS AB and cash of which SEK 2.325 billion was set aside (the “**Contributed GUC Cash**”) and not be distributed to the GUCs or the States unless and until certain conditions set forth in the Plan are satisfied. In this context, the Company was incorporated and on 25 September 2024, it issued EUR 194,480,697.00 of contingent value right floating rate notes due 31 December 2033 with a nominal value of EUR 1.00 (the “**CVNs**”) to the GUCs in accordance with the Plan. The goal of the Company is to hold, invest in any securities and financial instruments issued by any public or private entity to the extent permitted by the Investment Guidelines stated in Exhibit C (the “**Investment Guidelines**”) of the SAS GUC Entity Governance Agreement dated 27 August 2024 (the “**GUC Governance Agreement**”) and distribute the Contributed GUC Cash reserved to satisfy any State Non-Tax Claims and, if any funds remain, to holders of the CVNs.

For the avoidance of doubt, the Company may not carry out any regulated financial sector activities unless it has obtained the requisite authorisation.

The Company may use any lawful techniques and instruments to manage its investments efficiently and to protect itself against credit, currency exchange, interest rate and other risks.

In general, the Company may undertake any of the activities included in the above paragraphs and in accordance with the Articles solely for the purposes of managing the cash amounts made available to the Company pursuant to the GUC Governance Agreement and the Investment Guidelines.

The Court of Justice of the European Union (“**CJEU**”) is currently determining if SAS AB owes interest in relation to the State aid received from Denmark and Sweden in October 2020. This issue arose because the original approval of that State aid by the European Commission was annulled by the CJEU on 10 May 2023 but then reapproved by the European Commission on 29 November 2023. SAS AB subsequently commenced proceedings in Denmark (Copenhagen District Court) and Sweden (Stockholm District Court) to resolve whether interest needs to be paid for the period from October 2020 to November 2023 in light of the fact that the aid granted in October 2020 was ultimately only finally approved in November 2023. The Company was allowed to intervene in the Danish and Swedish proceedings.

The Copenhagen and Stockholm Courts have referred the legal question of whether SAS AB is required to pay interest in relation to the State aid to the CJEU, which will decide the relevant legal issues.

Pursuant to the Plan and the GUC Governance Agreement, if the CJEU determines that SAS AB owes interest in relation to the State aid in the Danish and Swedish proceedings, the Company will likely be required to transfer Contributed GUC Cash to SAS AB for payment of such interest.

The Danish case was referred on 14 May 2025 and is pending before the CJEU with case number C-329/25. The Copenhagen Court's order for reference is available on the website of the CJEU in a number of languages, including English and can be accessed at this [link](#). The Swedish case was referred to the CJEU on 4 July 2025 and is pending with case number C-442/25. The Stockholm Court's order for reference is available at this [link](#) (in a number of languages, including English).

The CJEU has invited the parties to submit their written observations and the deadline to do so has passed. These written observations are not publicly available. The CJEU will decide whether a hearing will be held in these cases or whether it will proceed to judgment based on the written observations.

The accounting year of the Company begins on 1 January and ends on 31 December each year. The Company is formed for an unlimited period of time. The Company is exempt from preparing consolidated annual accounts and consolidated management account as per Article 1711-1 of the Luxembourg Company Law of 10 August 1915, as amended.

Principal Activities and Investment Performance

The Company's principal activities during the financial year continued to be the management of the Contributed GUC Cash and the oversight of the State Non-Tax Claims.

The Board of Managers sets out below a review of the developments and performance of the Company from 1 January 2026 through 31 March 2026 and its financial position as at 31 March 2026. This review is consistent with the size and nature of the business and is written in the context of the risks of operations.

On 27 August 2024, the Plan went effective. In accordance with the Plan, the Company received a total of SEK 2,212,373,524 on 28 August 2024 as the Contributed GUC Cash. The funds have been invested in accordance with the Investment Guidelines.

On 28 August 2024, the Company converted 50% of the funds to Euro (EUR 97,401,317.43) and left the remaining 50% in Swedish Krona (SEK 1,106,186,762). The Company has held these funds since inception in Euro and Swedish Krona interest bearing accounts at Skandinaviska Enskilda Banken AB (publ) ("**SEB**").

Money Manager status for SAS GUC cash

After extensive evaluation of alternatives, the decision was made to keep the Contributed GUC Cash in SEB's existing money market EUR and SEK accounts rather than transition to an external investment manager.

A thorough review of alternative managers found no option capable of delivering a better net return within the constraints imposed by the SAS restrictions and the GUC Entity Governance Agreement. The Board reconsidered the previously selected Investment Manager and Custodian arrangement and concluded that the time and cost required to finalize those appointments, combined with the relatively near-term liquidation timeline and the requirement that investments remain low-risk fixed income, made that structure economically unattractive for stakeholders and CVN Holders alike.

Even if the Investment Guidelines were amended (which would only be permissible if the low-risk requirements were preserved), the Board determined that external management would not generate better absolute returns. SEB therefore remains the permanent solution until further notice.

Principal Risks, Uncertainties and Use of Financial Instruments

The Company is exposed to a variety of financial, market and operating risks as follows:

Liquidity and cashflow risk

The Company's objective is managing liquidity risk to ensure that it has sufficient funds available to operate the business in accordance with the GUC Governance Agreement, pay any Annual Interest Payment and make payments in accordance with Section 5 (*Priority of Payments*) of the Terms and Conditions of the CVNs (the "**Terms and Conditions**").

Use of financial instruments and market risk

Market risk is the risk that changes in market prices, such as foreign currency exchanges rates and interest rates, will affect the Company's income, the value of financial instruments, comprised of loans, deposits and payables, and/or its liquidity position.

Interest rate risk

The CVNs accrue interest at three-month EURIBOR plus 8.00% per annum and any increase or decrease of the three-month EURIBOR should have an impact on interest expenses and the results of the Company. Payment of interest is, however, only calculated and conducted as an "Annual Interest Payment" under the Terms and Conditions.

Foreign currency risk

The Company is only permitted to make investments which are in accordance with the Investment Guidelines. Any variation of foreign exchange rates will have an impact on the results of the Company.

From 1 January 2026, the EUR and SEK investment accounts have generated a total interest income of EUR 465,042.01 and SEK 4,618,430.77. This interest was generated from the Contributed GUC Cash being held at money market overnight accounts in EUR and SEK respectively with SEB in Sweden. The Company has utilised a portion of the generated interest income to fund its ongoing operations. The reduction in interest income over the last several quarters reflects the prevailing lower interest rates in Sweden and the European Union throughout 2026.

To safeguard the interests of the Company and CVN holders in the State aid court proceedings, the Company has retained legal counsel and intervened in the various proceedings where appropriate. The Company believes that it has incurred the majority of its legal expenses related to these proceedings and expects ongoing legal costs to decrease in future quarters, subject to further developments in the various proceedings.

The Restricted Investments reflect Contributed GUC Cash the Company received on 28 August 2024 and is shown separately as restricted to reflect the nature of the accounts and the restrictions on these accounts in accordance with the GUC Governance Agreement.

The CVNs accrue interest at three-month EURIBOR plus 8.00% per annum. The repayment date is 31 December 2033 and interest is payable on the last business day of each calendar year, subject to certain conditions outlined in the GUC Governance Agreement and the Terms and Conditions.

The CVNs are direct and limited recourse obligations of the Company.

The Company's only obligation to pay interest on the CVNs is by way of the "Annual Interest Payment" as described more fully in the GUC Governance Agreement.

The Company's obligation to pay the principal amount of the CVNs arises only in the event of a "Final Payment", as defined in the GUC Governance Agreement, to the holders of the CVNs.
